to at 506 and 560 Austin street, opposite Etkel & Breustedt's new building.

Important Notice.

Examma will not be held responsible my bills contracted by employes of this except on a written order signed by the mass manager.

WACO, TEX, DEC., 6, 1886.

TOM CHOOKS IS for Swain. FIFTY-FOUR thousand bales.

THEY are "knocking it" to Coke. WHAT will Barney do for a Herald now? Barney's tears flow.

THE Ledger of last week again severely rattles Mr. Speaker Foster.

and business for six or seven popu-lous and prosperous states. But de-stroy the money quality of silver, and these would soon revert to the savage conditions which prevailed before the THE Hayes County News some-times gladdens our sanctum. It is

CORE has been demclished a great many times. He's getting used to it, and apparently it does'nt hurt.

THE Hopkins county Echo is a The silver west and the sunny south staunch advocate of the claims of stand shoulder to shoulder upon these General Ross to the governorship-

The Houston Post stretches its neck away up and crows "Swain is away youder shead." The Post is an enterprising news gatherer.

The Examines is pleased to note the steady improvement in the Corsicana Courier. With the press disparate in the interests of the Iron-kings of patches, it would be a whiterer. Tax Houston Post stretches its

patches, it would be a whizzer.

THE EXAMINER has nominated the votes are what win the fight. As next governor of Texas, and in doing long as the west and the south enjoy

so, has won the hearty hatred of many an equal suffrage with the north and of the little fellows who had hoped that it would be some other fellow.

CAPT. SEDWICK'S mammoth new cast.

store house, corner of Eighth and Austin streets, will be one of the Austin streets, will be one of the most elegant business house in Waco. Our friends Jones Taylor & Bro., will occupy it as scouns completed.

THE EXAMINER proudly pauses to THE EXAMINER proudly pauses to remark that Waco has already repeated fits for the word about it. The EXAMINER did have a paragraph with regard to the resided fits for thousand bales of matter with its called a word about it.

ceived fifty-four thousand bales of matter with its editorial paragraphs, cotton since the 1st of September, The Balance Wheel supports Ross be and to sak: "How is that for high, cause he is the honest, unpaid-for since the Narrow Gauge went into choice of that excellent paper, and for no other reason. Even if the Wheel the pool last summer?" could be bought for such purpose, (we don't believe that it could.) Ross

"Waco," a correspondent of the Gatesville Advance, flercely assalls (we don't believe that it could,) Hos Governor Coke. His record is scatherence, he will be governor by the ingly axamined, but his anti-probibl-tion record is especially blistered.

The argument against the course Coke. The argument against the course Coke that, as sure as that to-morrow's surpersued in that affair, is that he was shines. laboring to preserve the value of his property here, thus furnishing one WE are just in receipt of a private of the best defenses for the senator, note from Mr. George Loving, saying possible to be made. The man who that the offensive paragraph which will not defend his own property, his good name and his policy, being in the editor of the Examina, personpublic life, is not fit to hold position. If the sanator meets no other lion in his pathway to re-election, he will go if he will say that much in the Mall through with as much unanimity as he did the last time; and that was ally appeared, it will be all right. We unanimous appound the form the was unanimous enough, the Lord knows have never in all our life commenced

My Stock in all Lines is full and complete, prices low to suit the hard times and short crop of cotton.

At Washington. such a warfare, and all that sort of thing is dragged out of us by just such attacks as the Mail indulged in At Washington this winter there

will be two very important questions pressing for settlement, the tariff and and silver questions. These are both of the utmost importance to the whole country, but particularly so to the west and the south. In their proper adjustment is bound up the weal and woe of these two sections. The weight of the agricultural interests of the nation is found in the west.

ests of the nation is found in the west Coke was working for the Interna-and the south. Six-sevenths of our tional when he forced them to take and the south. Six-sevenths of our fifty millions of people are dependent upon agricultural operations and silver mining. It is to the best intersects of the farmers to be permitted to buy where they can buy the cheapest, and sell where they can secure the best prices. A tariff, such as Mr. the money settlement. Coke vetoed the money settlement and forced the money settlement. Coke vetoed the money settlement and forced the money settlement and forced the money settlement.

TRADE but accounts paid on the first of the chasses to purchase such wares as the protected industries of the country choose to give them, and for the price demanded. Before a protective tarif, the farmers of the union will stand the farmers of the union will stand bound hand and foot, the silm, helpbound hand and foot, the sik nt, help-less and voiceless victims of the greed have always excited merriment. of the manufacturers. The cougressional representation from this state is in accord with the other southers a political way than even the Herald had.

representations on both of these queeropresentations on both of these queeropresentations. They are unanimously free-traders in sentiment and will vote and work to Randall's iron poses of a base emuity, founded only the first poses of a base emuity. The ought not to take THE WACO EXAMINER

will vote and work to defeat Mr. Randall's iron masters' methods of growing rich by upon jealousy. He ought not to lend, himself to the purposes of a base emuity, founded only upon jealousy. He ought not to take grinding the faces of the poor, and by levying exactions upon the farm-thrown down at him, much less thrown down at him, much less ing interests of the uation. We would not have Texas stand back while such

To the Statesman: Just at present the Examines is hurling back a base an issue was being settled. We would even have her to lead in it. We would have our stalwart senator, Coke, stand out well to the front in the up-per, while Culberson, Reagan, Mills, slander at a Fort Worth brother. The Examiner never slanders. It never commences an attack, but it wellborn, Miller, Stewart and others, exhibited the temper of Texas in the lower house. After that settlement has been made, after a permanent, invariably gets in the last lick, when the business once commences. THEY have falled to make a drunk-

as been made, after a permanent, and, an infidel a bloated bond-holder equitable and fair tariff law had been and a soulless corporation out of Coke. Secured, we would be equally prond Now, what Bext? They have found equitable and fair tariff law had been to see them rise up in a solid phalanx out that he owns some property in behind silver, the money of the south Waco, and that may ruin him. We and the west, the money of our fore- shall walt anxiously and see. fathers, and the money of the poor. SINCE the Herald went up to glory On these two points the south cannot

Bill Sterrett has already dubbed the afford to be either weak or vascillat-ing. She must come to the front, and Times, the "old reliable " This would ing. She must come to the front, and in coming, we would be proud to see Texas in the lead, as well in numbers as in ability and unity.

The must come to the front, and hurt the proprietors of the defunct paper much, but it will be especially grinding on some of the patrons of as in ability and unity.

To the west and northwest of us the old paper. is growing up a tremendous empire, built solidly upon foundations of sil

FIFTY-FOUR thousand bales. It is slowly creeping through the wool of the average outlying barbarian towns, that Waco is in a fair way of becoming the cotton centre of central Texas.
